

MPI 2611 Wall Film

Give Walls Personality

Avery Dennison MPI 2611 Wall Film. With its compelling appearance, excellent printability and superior adhesive technology, decorating your walls with eye-popping graphics has never been easier.

Key Benefits:

- > Ideal choice for interior decoration
- > Excellent dimensional stability for high quality converting
- > Quick and easy installation
- > Removes easily and cleanly after use

Features	Benefits	Advantages
Flexible matte finish	Ideal for indoor graphics	Low glare finish
Excellent printability	One product for multiple platforms ensures product consistency and consolidated inventory	High quality printability across solvent, eco-solvent, latex and UV-curable inkjet printers
Thick face film construction	Reduced application time and edge curl from solvent inkjet printers	Thickness of film helps eliminate wrinkles and bubbles while providing added stability
12 months clean removability	Removes easily with little or no adhesive residue resulting in reduced removal times	Easily and quickly removable with heat
StaFlat™ liner	Increased productivity through installation and handling efficiencies	Excellent converting and handling properties

Applications:

- > Internal wall graphics
- > Retail wall graphics
- > Wall decorations
- > Exhibition wall graphics
- > Internal window graphics
- > Indoor advertising
